CREMATORIUM | FUNERAL HOME | WOODLAND BURIAL GROUND

## STANDARD CREMATION PACKAGE

£2,995

This option provides a funeral service in one of our Ceremony Halls followed by a cremation. This package includes:

- Our Funeral Celebrant will work with the deceased's family in composing and delivering a funeral service
- All funeral home services necessary for such a funeral including collection and care of the deceased and provision of a simple coffin
- The funeral ceremony will take place in one of our own Ceremony Halls, situated at Harbour View (selection of which Ceremony Hall will be at our discretion but most likely Harbour Lodge or The Barn) and at our Christchurch and New Milton Funeral homes
- Cremation at Harbour View including fee to the Medical Referee
- We have a minimum of 90 minutes separation between funerals, which permits a far more relaxed funeral service than other local crematoria
- Attendance of up to 30 mourners with some car parking available
- We will advise a funeral date and time, which will take place between Monday and Saturday, usually in the morning
- A simple biodegradable container for the cremated remains
- This standard package is also available for a burial but the costs will differ depending on location

*Some items that are not included:*

- Medical certificates if required (£82.00)
- Refreshment options for hosting a wake on site (available at additional cost)
- A traditional funeral cortege or transport for the mourners
- Chapel of Rest visiting prior to the day of the funeral
- Dressing/treatment of the deceased
- Writing the Tribute/Eulogy for the funeral service

## STANDARD CREMATION PACKAGE (Simplified Version) £2,420

This is only available when using one of our Ceremony Halls and when preceding cremation at Harbour View Crematorium. It will not be possible to host refreshments on-site afterwards. Details generally follow the Standard Package (as detailed opposite) other than the family of the deceased will design/compose their own ceremony and will deliver it on the day, without professional assistance. In other ways, details differ as follows:

- Our client will provide input of information via our website where requested
- The ceremony is likely to commence at 9.30am on a day of our selection (or at any other time if more convenient to our scheduling) and if at Harbour View, in a Ceremony Hall of our choosing (but most likely Harbour Lodge)
- Access will be provided via Bluetooth connection to speakers for playing music from the client's own media. No other AV will be available
- Our attendant will open the Ceremony Hall 10 minutes prior to the agreed ceremony time and assist with connection to wi-fi before leaving the congregation to hold the ceremony
- The ceremony will last no more than 30 minutes when upon our attendant will return to close the ceremony hall. The mourners will depart
- A maximum of 25 mourners may attend using a maximum of 10 car parking spaces

## UNATTENDED CREMATION PACKAGE

£1,900

Our Unattended Cremation package, sometimes referred to as a 'direct cremation', is a service provided when there is to be no service at the crematorium or mourners in attendance. All arrangements are at the simplest possible level. The cremated remains will be made available afterwards for burial or scattering. This package includes:

- Collection of the deceased from a local address and taking to Harbour View for cremation at the earliest opportunity
- The cremation itself including fee payable to the Medical Referee
- Provision of a cremation shell (not a traditional coffin)

*Some items that are not included:*

- Medical certificates if required (£82.00)
- Chapel of Rest visiting\*
- Any professional services on our part
- It is not possible to give an accurate date/time of when the cremation will happen

*\*Clients may choose to add chapel visiting as an additional service in order to visit the Deceased Person just prior to the cremation taking place.*

*Please contact any of our offices to find out more*
