

## **Property**

The deceased may have left an Estate with various items of property. This may be a house, a vehicle, furniture of general items.

Between your family and the Executors it may be that you can easily deal with these matters but sometimes families just want to deal with the Estate as quickly as possible. Should you require assistance we have contacts who can offer help with house clearance or who will make you an offer for property or any other asset for an immediate 'no fuss' sale.

Please let us know if this may be of assistance.
