

Wooden Caskets

Wooden caskets are particularly suitable when the cremated remains are to be buried into a grave. Most of the caskets have a small engraved nameplate on the top and they are all timber as opposed to veneered wood.

Most cremated remains caskets are available as a double size to accommodate two people.

A simple Oak timber casket. A small engraved nameplate would be added to the top; £85.00

A Mahogany timber casket with end rings. A small engraved nameplate would be added to the top; £95.00
