Weymouth Crematorium is owned and operated by Weymouth and Portland Borough Council. It was opened in 1939 and is set in grounds of 6 acres, which is also a cemetery. The crematorium only has one chapel and enjoys the benefit of a standard 45 minute service time allotment. The chapel will accommodate up to 100 mourners, and there are organ playing and cd playing facilities.

The gardens of remembrance offer memorial trees and benches. In addition there is the Book of Remembrance.
