Salisbury Crematorium was opened in 1960 and occupies a site of some 6.5 acres on the N.E. outskirts of the city approximately 1.5 miles from its centre. The building stands amidst a beautiful Garden of Remembrance which will bring peace and comfort to bereaved families and provide a haven of quiet contemplation.

Located just off the A30 Salisbury to Andover road, approximately 800 metres from the Churchill Way roundabout, the crematorium is ideally located for easy access by road and rail (the crematorium is 5 minutes by taxi from the railway station).

The light and airy chapel which seats approximately 80 mourners, is dominated by a beautiful natural stone wall. The standard service time of 25 minutes can be increased if necessary (at extra cost). A qualified organist is always in attendance, playing traditional

and not so traditional pieces in accordance with a family's wishes. Recorded music can also be requested.

The Crematorium Manager and staff are available to give help and advice on all aspects of cremation Monday -- Friday (Except Bank Holidays) 8.30am -- 4.30pm. The Book of Remembrance Chapel is open every day of the year between 10.00am and 4.30pm.
